

INVESTMENT FORM

For over 10 years, the members of the Community Players have entertained Tucson audiences with quality presentations of hit Broadway shows, musical revues, hysterical comedies and tear jerking dramas. We continue to bring you the best possible shows with the most talented casts and dazzling sets.

Please consider investing in our future to help keep our ticket prices as low as possible. Your contribution will be designated for set materials, props, and wardrobe – everything necessary to create a great theater experience. The Community Players is composed entirely of volunteers, so every dollar you invest goes directly into our productions. Investments of \$35 or more are recognized in our production programs, and 100% of your investment is tax deductible as The Community Players is a 501(c)3 non-profit corporation.

Help The Community Players continue a tradition that you can introduce to your children or grandchildren! When making an investment, please print out this form and include it with your gift. Mail it to the address provided. Please make all checks payable to The Community Players.
